## AAUW Ballwin-Chesterfield (MO) Branch

National and State Award-Winning Branch

### May-June 2019

Vol. 39 No. 10 38<sup>th</sup> Anniversary Year

### Presidents' Corner

**Marcia Block**

The last two years have gone quickly. Thank you for the privilege of serving Ballwin-Chesterfield as co-president. I have learned much and enjoyed working with you all. Now it is time for me to turn over the position to new leaders. Jean Elliott and Jan Horner will do a wonderful job of leading the branch. It is up to the rest of you to support them and to step up when asked. The branch is not just the elected leaders or the board. It takes all of us to keep Ballwin-Chesterfield the active, successful branch that it is.

**Jean Elliott**

We thrive only when members participate. This year we have had wonderful speakers. If you have missed them, that is your loss. Next year, put the second Thursday on your calendar and come. Then participate in Dollars for Scholars. You will have fun, learn something, and feel good about contributing to our local scholarships. For example, I'd always been curious about back stage at Powell Hall, and now I've seen it. It is indeed as cramped as I'd heard.

Join an interest group. Or two. That's how you get to know fellow members. Participate in STEM activities. It is inspiring to see these young women. If you have never done anything except gripe about politicians, get involved in Public Policy. We really can't complain unless we first try to affect outcomes. And there is much more, of course.

Joining Ballwin-Chesterfield is the best thing I have done in retirement. And that is all because I became involved. My life is richer and happier for the friends I have made and the things I have learned. May the same be true for you.

~Marcia Block, Co-president

**The next board meeting will be May 2 at 9:30 a.m. All elected and appointed officers should attend. Contact Marcia Block([mhblock@sbcglobal.net](mailto:mhblock@sbcglobal.net)) if you cannot attend.**

### Membership Renewal for 2019–20

The AAUW year begins anew on July 1, 2019, thus your current membership expires on June 30. The national annual dues are \$59. AAUW MO dues are \$10 and Ballwin-Chesterfield branch dues are \$22, which totals \$91 for the upcoming year. Fifty-six dollars of the national dues are tax deductible.

**The preferred method to renew is online.** B-C members received a personalized renewal email on April 16 from [memberinfo@aauw.org](mailto:memberinfo@aauw.org). Open the message and click on “click here to renew”. With one click, pay dues with your credit card. It's simple, safe, and efficient. The alternate method is to send your \$91 check to Pat Shores. Write your check to AAUW; do not put B-C on the memo line.

The Finance Officer and the Membership VPs are offering an early dues payment incentive. Membership renewal began on March 16. Members who renewed from March 16–April 30 got three chances to win \$30 in gift cards to Panera. Members who renew from May 1–May 30 will get two chances to win the \$30. Members who renew from June 1 to June 30 will have one chance to win the \$30 in gift cards.

Finance Officer Pat Shores will be available to discuss the dues renewal opportunities at every branch meeting.

#### Keynote Speakers:

Kim Churches, CEO AAUW

Wendy Doyle, CEO Women's Foundation,

**STEM Report****STEM Girls of Promise 2019**

On April 26, AAUW Ballwin-Chesterfield will honor five Valley Park High School girls, who have been selected by their teachers and principal for their excellence and promise toward careers in the STEM areas. The STEM committee and members of our branch will meet at 7 a.m. at the school's gymnasium. We will have a light breakfast for the girls, their parents and teachers, and present the five girls with a small cash gift, a certificate, and a medal for their hard work and achievement. Each of the honorees will talk briefly about her plans for the future. If prior years are any guide, they will be impressive.

We will also honor students at Maplewood Richmond Heights High School. The date for the second STEM Girls of Promise Breakfast is May 2nd at 7:30 a.m. We invite members of AAUW Ballwin-Chesterfield to join us at both events. It is always wonderful see the promise of these young women. The committee will provide the breakfast treats. We ask that those bringing food for the event, or request more information, contact Carol ([KMGCAG@charter.net](mailto:KMGCAG@charter.net)) or Barbara ([bjmcquitty@aol.com](mailto:bjmcquitty@aol.com)).

~ Carol Greenaway and Barb McQuitty,  
STEM Co-directors

**Directory**

If you have not yet picked up your *Directory* for the current year, we will have some available at the Spring Luncheon. Any new members who have yet to receive their copy will be able to get both a directory insert and cover.

Work will begin soon on the 2019–20 *Directory*, which will be available at the September meeting. A new or retake picture can still be taken at the Spring Luncheon or Summer Picnic, or you may send a photo via email to Ann Patrice O'Shaughnessy ([annpatriceo@gmail.com](mailto:annpatriceo@gmail.com)).

Co-directors, Directory

**AAUW Membership Campaigns**

AAUW offers two ways that local branches can increase their membership and share the benefits of our organization.

Give A Grad A Gift allows any member to give a recent college graduate a gift of one-year free membership. What a great graduation gift for family and friends! <https://www.aauw.org/resource/give-a-grad-a-gift/>

Shape the Future allows local branches to offer half-off national dues for the first year when someone joins at a public event. Our branch began offering this benefit last year. Keep these in mind when you're talking to prospective new members.

**Upcoming Events****Summer Picnic, July 11, 2019**

There will be a Summer Picnic planning meeting on Tuesday, May 28 at 2 p.m. at Linda Roberson's home for any member who is interested in helping with the event.

Please RSVP by email or phone to Linda Roberson ([robersonlinda11@att.net](mailto:robersonlinda11@att.net)) or Pat White ([pgwhite02@gmail.com](mailto:pgwhite02@gmail.com)).

**Winter Event**

Though it's barely spring, some of us are already making plans for a fun-filled experience next December.

Many businesses plan their charitable donations well in advance, so it's not too early to begin preparations. We ask that you help the branch and begin to ask businesses that you patronize if they would consider donating gift certificates.

**EOF**

On Wednesday, April 10, the EOF Co-directors, Judy Stagoski and Marian Bauer, attended a reception for scholarship donors and awardees at Maryville University. At this lovely dinner we received many thanks for the scholarship funds we have made available to Maryville students. The program included the keynote speaker, Flint W. Fowler, who is president of the Boys and Girls Clubs of Greater St. Louis. An honored donor, Margaret Galbraith, and a scholarship awardee, Austin Davis, shared with us their dedication to education and their gratitude for scholarships.

Your support of Dollars for Scholars events has made these scholarships available. The used book sale, Panera Cards, and bean soup sale have contributed to Dollars income. Enjoy the summer and continue to support this wonderful educational endeavor.

~Marian Bauer and Judy Stagoski,  
EOF Co-directors

**AAUW Scholarships in Action**

Dr. Esther Ngumbi grew up in a farming community on the coast of Kenya and knew firsthand that insects could wipe out entire crops of corn. This could spell the difference between poverty and economic security for people in rural areas like the one where she grew up, a place where access to insecticides and agricultural education was limited.

With support from her 2007–08 AAUW International Fellowship, Ngumbi earned a doctorate in entomology (the study of insects), becoming the first person to earn a doctorate in a community where women's education is not typically a priority. Today, as a post-doctoral researcher at the University of Illinois at Urbana-Champaign, she studies sustainable crop growth and environmentally friendly insecticides. She holds three U.S. patents and recently won the 2018 Society of Experimental Biology Presidents Medal.

Ngumbi has also gone above and beyond when it comes to giving back. She mentors young leaders and women scientists through the Clinton Global Initiative University. She also cofounded a school in her hometown that serves more than 100 elementary and middle-school students.

"AAUW paved a way for me, which is why I can now pave a way for others," she says. "For me, it's so other women of color can say, 'Hey, she made it despite all of the challenges.'"

For International Women's Day this March, AAUW invited Ngumbi to be the special guest for an #AAUWAsksTwitter chat about her career and fellowship. Click here ([www.aauw.org](http://www.aauw.org)) to read her answers and find out more about AAUW scholarships.

**Public Policy**

Make your voice heard by participating in the 2019 AAUW National Election to elect members to our board of directors and set AAUW's Public Policy Priorities. Online voting is now open and will close on May 14. Please note: your membership number and pin were sent to you via email on April 1, 2019, making the process very smooth and easy.

We have ambitious work to do as we seek to expand participation in AAUW's Work Smart salary negotiation program, support key legislation, and work with employers to implement fair-pay practices. Your vote will determine the board members who will guide AAUW to achieve equity for women and girls.

This year, you'll also be voting on amendments to the 2019–21 Public Policy Priorities, providing the framework for the advocacy efforts AAUW initiates at the local, state, and national levels. Thanks to you and other advocates, the House of Representatives just voted 242 to 187 to pass the *Paycheck Fairness Act* (PFA) with bipartisan support. Now it's up to the Senate to act. Equal pay for equal work is something we can all get behind. Congress must pass the *Paycheck Fairness Act* which would:

- Require employers to prove that pay disparities between men and women are a business necessity and job-related.
- Ban the use of salary history.
- Protect workers from being penalized for discussing their salaries.
- Help employers implement fair-pay practices.

Reminder: please register for Work Smart Online
