

Dear Friends,

Now in existence for over *five* years, *Gateway Human Trafficking (GHT)* continues to strive to expand its programs and offerings to the community. We hope that you will be able to take part in one or more of the many exciting events that we are offering this year and experience firsthand the pride we take in supporting our cause.

It is our mission to *educating our community and inspiring positive systemic change to end human trafficking*. As an example, recently one of our local school districts reached out to GHT for help. They experienced a child trafficking case in their school where a 6<sup>th</sup> grader was recruiting high school students for traffickers in exchange for \$20. In response, GHT started planning a program to educate teachers of that school district for the next school year of 2019-2020. The goal of this program is to bring awareness to our teachers about human trafficking, what they can look for, how to recognize it, and to bring support to their vulnerable at-risk students to enable schools to stop trafficking in its early stages, as it occurs many times in our schools.

In order to meet our mission and provide services for our community, we rely on the generosity of individuals, businesses, and corporations for support. Without the assistance of community-minded friends just like you, we wouldn't be able to serve those vulnerable community members to trafficking and exploitation including children.

We would like to invite you to support us by attending in our first Annual Fundraising Dinner on *Tuesday, September 24, 2019* from 6:00 pm to 8:30 pm in Whitmoor Country Club at *1100 Whitmoor Dr, Weldon Spring, MO 63304*. Your generosity will make a difference in our community by allowing us to continue in our work.
