## AAUW Ballwin–Chesterfield (MO) Branch

National and State Award-Winning Branch

### April 2020

Vol. 40 No. 9 39<sup>th</sup> Anniversary Year

#### Presidents' Corner

Jean Elliott

It's amazing how fast life has changed. Last week I wrote the President's message filled with many exciting events and celebrations that were planned for AAUW members. Yesterday I had to ask our editors to hold off publishing the April newsletter so that we can report the cancellations that we are suggesting. At this time the guidelines recommended to assist in slowing the spread of coronavirus encourage people to avoid gathering in groups of more than 50 for the next eight weeks. That means we will no longer have an April branch meeting. We will not be able to vote on our slate of officers for 2020–22 as we usually do. Next week you will receive via email a ballot that will need to be returned within one week, and those without email will be mailed a paper ballot.

Jan Horner

We would encourage all book clubs, committees and groups to cancel face-to-face meetings for at least the next two weeks. If you can conduct business via email, conference call, or Webinar, please make plans. At the present time we hope to be able to gather for our Spring Luncheon at the Whitmoor Country Club on May 14. This may be our opportunity to bask in the beautiful surroundings, spend time with friends, and enjoy a delicious lunch. Reservations and checks for \$28 (payable to AAUW Ballwin-Chesterfield) can be sent to Carol Derington at her address in the Directory.

As you avoid groups and stay home as much as possible, consider this an opportunity. This is the time to read some of the books in the stack on your nightstand, or organize your many decades of family photos, or maybe finally clean the basement. In the end, it will be impossible to know if the United States overreacted or did too much, but it will be quite apparent if we underreacted or did too little.

Stay safe. Hope to see you at our Spring Luncheon or whatever will be our next celebration.

~Jan Horner, Co-President

The next board meeting will be May 7 at 9:30 a.m. All elected and appointed officers should attend. Contact Jan Horner ([janethorner@yahoo.com](mailto:janethorner@yahoo.com)) if you cannot attend.

#### April Branch Meeting

**This meeting is cancelled.**  
**We hope to reschedule with Dr. Kent.**

Thursday, April 9, 2020  
Trinity Lutheran Church  
14088 Clayton Road at Woods Mill Road, 63017

#### ***A Divided America: Growing Economic Divides***

**Dr. Ana Kent**  
Policy Analyst for the Center for  
Household Financial Stability,  
Federal Reserve Bank of St. Louis

Dr. Kent will highlight income and wealth inequality in the United States and will disentangle existing racial, educational, and generational wealth gaps. Research by the Center has found that these three demographics are strong predictors of who is building wealth in this economy, and who is not.

Dr. Kent conducts primary and secondary research and data analysis on household balance sheet issues. Her primary research interests at the Fed include economic disparities and opportunity, wealth outcomes, class and racial biases, and the role of psychological factors in making financial decisions.

### Membership Renewal for 2020–21

The AAUW year begins anew on July 1, 2020, thus your current membership expires on June 30. The national annual dues are \$59. AAUW MO dues are \$10 and Ballwin-Chesterfield branch dues are \$22, which totals \$91 for the upcoming year. Fifty-six dollars of the national dues are tax deductible.

**The preferred method to renew is online.** B-C members should have received a personalized renewal email on March 16 from [memberinfo@aauw.org](mailto:memberinfo@aauw.org). Open the message and click on "click here to renew." With one click, pay dues with your credit card. It's simple, safe, and efficient. The alternate method is to send your \$91 check to Pat Shores. Write your check to AAUW. Do not put B-C on the memo line.

The Finance Officer and the Membership Vice Presidents are offering an early dues payment incentive. Members who renew before April 30 will get three chances to win a \$30 Panera gift card. Members who renew from May 1 to May 31 will get two chances to win the gift card. Members who renew from June 1 to June 30 will have one chance to win a Panera gift card.

Finance Officer Pat Shores will be available to discuss the dues renewal opportunities at each branch meeting.

### Directory

Is your picture in our branch's Directory? If not, please have your picture taken at the next branch meeting. You may even want to update your picture in our Directory. Ann Patrice O'Shaughnessy will be taking the pictures in the area of the Directory table. An alternative to having your picture taken would be for you to email a picture to Ann Patrice ([annpatriceo@gmail.com](mailto:annpatriceo@gmail.com)).

## In Memoriam

**Remembering Gloria Goetsch**

Former branch member Gloria Goetsch passed away on January 26, 2020, leaving her husband of 68 years, two children and four grandchildren. Gloria was a 58-year resident of Chesterfield and had been active in the city's formation. Gloria was an active member of AAUW B-C for many years and was especially known for her amazingly accurate portrayals of Eleanor Roosevelt at times when that great lady's accomplishments were being celebrated.

Gloria worked as a Certified Professional Secretary and held the position of executive secretary to officers of Mallinkrodt Chemical and McDonnell Aircraft Corporations before leaving to raise a family. She returned to school at Washington University and graduated cum laude with a bachelor's degree in 1968. Besides her support of AAUW, Gloria was active in a wide variety of local organizations, from Sweet Adelines to the Archeological Institute of America. She and her husband traveled widely, visiting over 145 countries. She will be greatly missed. A memorial is planned later this Spring.

## 2020 International Relations Series

Due to precautions necessitated by the COVID-19 virus, the April 14 lecture at the Ethical Society is cancelled. Instead, Dr. Leiter will deliver the lecture on April 14 at <https://lectureseries.org/> Check the AAUW B-C website for details.

**The New Populism: Identity Politics & the Rise of Us-Against-Them Leadership**  
**Speaker: Dr. Debra Leiter**

Dr. Leiter's focus is comparative politics, primarily Western Europe; her research examines how institutional, social, and party system contexts affect the type of information voters can access, rely on, and use when making political decisions. Leiter joined the Department of Political Science at the University of Missouri-Kansas City in 2013. Leiter received her bachelor's degree from the University of California, San Diego, and her PhD from the University of California, Davis. An award-winning researcher and teacher, she received the Carrie Chapman Catt Prize on Women and Politics, and UMKC CAS Alumni Outstanding Teaching Award.

**Ballwin-Chesterfield's National Conference for College Women Student Leaders (NCCWSL) Representative**

This year the branch chose to sponsor Nicole Caldwell, a first-generation university student, for the May 2020 NCCWSL conference in Washington, DC. She is studying International Business and Political Science at UMSL and plans to go to law school to "provide ethical and empathetic legal relief to human trafficking and domestic abuse victims." Nicole believes she will "earn valuable communication skills at NCCWSL that she can employ to assist UMSL students and women in her future career."

B-C paid for Nicole's registration and airfare and gave her \$50 for expenses. IBC is sending another young woman to NCCWSL and the two will travel and room together. The branch also contributed to the cost of the other student's trip, as we always make a donation to IBC. We will get to hear all about her NCCWSL experience at one of next year's branch meetings.

## AAUW Fund

**Legal Advocacy Fund**

In 1981, during a national convention held by the American Association of University Women (AAUW), a program to support women seeking justice for gender discrimination was born. That pilot program became the Legal Advocacy Fund (LAF). Since then LAF has provided millions of dollars to balance the scales of justice for people working toward gender equity through the legal system. The Legal Advocacy Fund works to challenge sex discrimination in higher education and the workplace. Our resources range from community outreach programs to supporting major cases.

Sex discrimination today takes a variety of forms: unfair pay, pregnancy discrimination, sexual harassment, sexual assault, and violations of Title IX of the Education Amendments Act of 1972, which can affect both women and men. LAF addresses these barriers by informing people of their rights at work and on campus using the legal system to seek justice. The impact of LAF goes beyond words by assisting in finding legal help and providing a travel grant and an outreach grant.

**STEM Report**

AAUW Ballwin-Chesterfield will honor eight high school junior women who have shown promise in science, technology, engineering, and/or mathematics at two upcoming STEM Girls of Promise recognition events. Due to the covid-19 health crisis, the dates and times for these two events will be announced at a later date. Each girl will be awarded a medal, a certificate, and a monetary gift for her college fund. The girls' parents and teachers are invited to the ceremony, which includes a continental breakfast provided by volunteers from the branch STEM Committee. AAUW B-C members are invited to join us in recognizing these outstanding young women. For more information, contact Barb ([bjmcquitty@aol.com](mailto:bjmcquitty@aol.com)) or Susan ([susanfenwick3@icloud.com](mailto:susanfenwick3@icloud.com)).

## Public Policy

Hopefully you will be able to participate in some way on Equity Action Day, *Women's Rights are Human Rights*, on March 31. This is Equal Pay Day, the symbolic day when women's salaries match what men earned on December 31. For women of color, "match day" comes later in the year. It is August 31 for black women, October 1 for Native American women, and Latina Women will achieve pay equity sometime in November. Why do we talk about it? This is a real issue and each of us can use our voice to advocate for gender equity. AAUW's mission is "to advance gender equity for women and girls through research, education and advocacy."

You often hear that politics is local. As of now, April 7 is Municipal Election Day. Local elected offices will be determined then. This election includes voting for school boards, local governments, and funding issues. Be sure to vote!

You know that AAUW is political, not partisan. We advocate for issues addressed in our Public Policy Priorities for 2019–21. Advance the mission: learn the issues and share information, research votes of elected officials, communicate and vote!

AAUW MO supports legislation on:

- Pay Equity—SB 682, SB 628, HB 1864
- Gender Equity—reducing "pink tax": HB 1306.

AAUW MO opposes:

- Attacks on Voter Protection—Clean MO SJR 38 and HJR 115, and HB 1600
- Economic Security—HB 1559 not protecting minimum wage.

We encourage you to make time to contact your elected officials and voice your opinion.

~Karen Francis, Co-director, Public Policy
