

**AAUW Ballwin-Chesterfield Branch Meeting Minutes
December 14, 2023
Ballwin Golf Course Events Center
333 Holloway Rd., Ballwin 63011**

The December branch meeting was the annual winter party and the kickoff for the B-C Booster, the Ballwin-Chesterfield annual fundraising campaign.

The theme of the winter gathering event was the *Sassy Soiree* because of the entertainment. The St. Louis Strutters performed numerous well-performed dance routines. The group is a volunteer senior dance troupe, which entertains widely in the St. Louis area. The St. Louis Strutters tapped to holiday tunes, changed stunning costumes multiple times, and wowed us when they shared their ages.

We enjoyed delicious box lunches by the Art of Entertaining. Everyone had a wonderful time at the Sassy Soiree. Poinsettias decorated the tables and lively chatter filled the air. Many thanks to the committee members, the volunteers, and everyone who attended.

The lucky winner of the Lotto was Judy Shaefer-Piet; the winner of the 50/50 was Arlene Spector.

Respectfully submitted,
